FREE PRAGUE WALKING TOUR

This guided four-hour walk is available every day at 11am. That includes bank holidays, and we walk no matter what the weather throws at us. The commentary is in English only.

Great introduction to Prague

During this walk you will visit the most significant and interesting historical sites in Prague with our guide. You will take in the Jewish Quarter and the historical buildings of the Old Town. Then the walk includes a 30-minute break to relax. If you think that four hours is long, and that you will feel tired after the first half of the walk, you can take the second half the following day. After the break we continue the walk from Mariánské Square over the famous Charles Bridge, and finish in style at Prague Castle.

Meeting point

The meeting point for this tour is on the corner of Paris Street (Pařížská) and Old Town Square, opposite the St Nicholas Church next to the Czech Tourism office. If you are not sure about finding this location, you might ask at your hotel reception for exact directions. The Old Town Square is a five-minute walk from Staroměstská metro station and it is one of the most famous locations in Prague.

Finishing point

The tour ends at the Prague Castle complex close to the Lesser Town metro station 'Malostranská'. You can take the metro or tram back to your hotel. Also, if you wish, our guide will gladly navigate you back to the centre or another place you might wish to go.

Do I need to pre-book this tour?

No, just turn up 10 minutes before the walk starts.

How to claim this free tour offer?

All you need do is bring this voucher and show it to our tour guide.

"The enthusiastic guide kept the history fun for those that might not enjoy history, and provided answers to our questions. Definitely one of the best tours we have done recently, especially considering that the tour is for free."

Although Prague is a beautiful city no matter what time of day, it's especially enchanting by night. When the sun goes down, twinkling lights illuminate the city's ancient buildings, which are best seen from the River Vltava running through the city's centre. On our Prague river cruise, you'll travel down the Vltava, passing famous sights like Charles Bridge, Lesser Town, the Church of St Nicholas, Prague Castle and the National Theatre - all while enjoying dinner and live music on board. Dinner is a buffet of both hot and cold dishes, and you'll also receive a welcome drink included in the cruise price. Upon boarding the boat, you will be welcomed by our hostess who will take care of you

during the cruise. The hostess does not substitute for a tourist guide; nevertheless, she will provide you with at least the basic information on the cruise programme and assist you if you have any enquiries or problems. There will also be professional bar-keepers and catering staff looking after you.

Departure point

You can arrive directly at the embankment from which the boat departs. The boat is located between the Čechův Bridge and Štefánikův Bridge, closer to the Štefánikův Bridge. It takes about 15 minutes to get there from the Old Town Square. The easiest way is to go down Pařížská Street, and when you reach the riverbank, walk down to the pier and continue to the right of Prague Castle until you see the boat marked with the sign CLASSIC RIVER. Please be at the boat departure pier at least 15min before boat departure time. If you booked transportation to the boat, the driver will pick you up directly at the hotel reception or at the given address.
